

**Hoosegow® Charcoal Restaurant
is an experience for all your senses!**

hoosegow opened on 24 September 2014. It is a Latin word for 'prison' and we are all taken in as 'prisoners of food' and ultimately surrender to great flavours! hoosegow is a place where you can relax into a warm, ambient, artful and moody space. It has a cool zen vibe with an eclectic playlist humming along in the background which allows you to drift to somewhere else and dream a little...

hoosegow's menu invites you on a flavour journey. What started as a favourite chilli chicken dish at home now stars on the menu as their *Signature Chilli Chicken* with jalapenò aioli, full of smokey deliciousness. Other signature dishes are; the sweet, smooth inviting textures of Confit Garlic with charred ciabatta and pecorino, Harra Barramundi with chilli, tahini and coriander sauce. A sweet finish to your meal can be; Afahoosegow with espresso, cointreau, grand marnier, chocolate gelati, toffee almonds, cardamom and almond biscoti or apple cinammon rose. Delish!

Our chefs celebrate the flavours we all love; Latin American, Eastern and Asian - creating a fusion of new tastes. Robust flavours, unique taste combinations and chillies are showcased in 'almost' every dish!

Their menu is simply mouth watering with lots of charred, juicy, spicy and smokey flavours - all cooked on crackling Mallee Root charcoal. Choose from a variety of beef steaks; 600gm - 1.3kg Ribeyes, MS9 Wagyu scotch fillets beautifully cooked. Other dishes include; seafood plate, smoked and charred vegetarian and vegan dishes plus our beautiful salads.

At hoosegow your tastebuds will surrender to many OMG moments of Charcoal Deliciousness! AND... our cocktails are SO GOOD to look at and heavenly to drink!

Hoosegow has four dining areas - different moods for all occasions; Garden/outdoors, Front of hoose, Main Restaurant and our 'Tango room' for small functions.

Come and experience our hoose-pitality!
